## The Latest Treatment Options

**Invisalign® and Invisalign Teen®:** clear aligners—no wires or brackets

**SimpliClear:** completely clear braces

**AcceleDent®:** accelerate tooth movement and get braces off faster

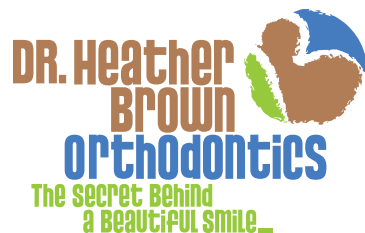

**3D digital impressionless scanner and x-ray systems:** goodbye goopy impression material!

## Giving Back, Changing Lives

**Summer internship program:** high school and college students get an up-close look into orthodontics

**Scholarship program:** assistance to high school students interested in pursuing a dental career

**Smile for a Lifetime Foundation:** a charitable orthodontic organization, Houston chapter founded by Dr. Brown

Call **713-665-4455**  
to schedule your complimentary consultation!

2636 South Loop West, Suite 100 | Houston, TX 77054

"Our goal is to provide quality orthodontic care, excellent customer service, and a wonderful experience in a state-of-the-art atmosphere. As teeth transition over time, we get to see a new, more confident person emerge."  
Heather T. Brown, DDS
