This patient disclosure form seeks information from you that we must consider before making treatment decisions in the circumstance of the COVID-19 virus pandemic.

A weak or compromised immune system (including, but not limited to, conditions like diabetes, asthma, COPD, cancer treatment, radiation, chemotherapy, and any prior or current disease or medical condition, can put you at greater risk for contracting COVID-19 and developing fatal complications. Please disclose to us any condition that compromises your immune system and understand that we may ask you to consider rescheduling treatment after disclosing any such conditions with us.

It is also important that you disclose to our office any indication of having been exposed to COVID-19, or whether you have experienced any signs or symptoms associated with the COVID-19 virus.
